

CERTIFICATE OF COMPLIANCE
CONSUMER PRODUCT SAFETY IMPROVEMENT ACT

Holztiger products (wooden figures and vehicles) are made of solid maple and birch wood that are stained with water-based, non-toxic materials. They comply with all applicable rules, bans, regulations, and standards under the CPSIA (Consumer Product Safety Improvement Act of 2008), or any other Act enforced by the CPSC. They do not contain any lead as banned by Section 101. They do not contain phthalates as banned by Section 108. They conform to the toy safety standards of Section 106.

Holztiger toys have been tested and conform with the European and US Safety Directives for Toys (EN-71 and ASTM F963). Among other things, they have been tested for resistance to saliva and sweat, colors resistance to rubbing, content lead and cadmium, phthalates, production quality, and all requirements passed. Over and above these standards, Holztiger makes additional voluntary commitments to quality and safety.
